The Lady:

This is my first time visiting Bina and wow i wasn't disappointed a real pocket rocket. Bina is about 5ft3, with long black hair and pretty face. She was wearing a fishnet body stocking and 6" high heels and was still only up to my chin. She is Indian and in her early 20's and fairly petite, i would say a size 6 with a great little bum, perfect tits and a tight body. The pictures are fairly accurate and she looks amazing.

The Story:

A real little stunner, first time with an Indian lady and wont be my last. Was very opened minded and pretty much everything was on offer if i wanted it. Great little kisser and started by undressing her and sampling her great body, as i said before petite which is how i like my ladies, plenty of FK on offer and likes to bite and lick which i enjoyed. Plenty of oral both giving and receiving - uncovered - and protected sex in doggy. A real nice experience and someone that likes a chat after so it doesn't feel to much of a rush.
