The Story:

I really enjoyed my time with Cindy and she provided an excellent GFE type service.

I told her I liked lots of kisses and body to body contact and she was happy to oblige.

We started off with lots of DFK and caressing each other's bodies. She gave me great OWO and was careful not to do it too intense as I was really aroused. I returned the favour with RO before we move onto mish. I shot my load during the third different cowgirl position she performed on me.

I felt really chilled out with her and she was very friendly throughout the booking.

I'd recommend her and will see certainly see her again in the future.
