### The Story:

Karina is a latina goddess. She is a tanned Brazilian beauty with a beach perfect body, the type of girl I see on the beach when I am on holiday and want to be with that evening! She was very friendly and welcoming and I found it easy and enjoyable chatting with her. When we got down to business her touch during the massage was amazing, gently teasing and making me want more. More she definitely delivered, her sexy body feels great during the body to body. She went on to exceed my expectations with her expert touch which led to a very happy ending! Thank U karina x
