The Premises:

Ground floor flat in Stamford Hill. Not sure if this area would be safe after dark. I sense there was someone else in the flat.

The Lady:

It is her in the picture but I would guess it was taken about 10 years ago.

The Story:

The punt was OK but did not like the fact she lied about her age and using old pictures. Wont be returning.

Service Provider's Rebuttal

The lady writes:

I am only a size 6 and was unable accomodate this gentlemans huge cock which is why he is disatisfied. I would normally offer a refund but he arrived an hour late (after keep texting another 15 minutes, another 15 minutes) so I lost business in this time. My pictures are accurate, I deliberately avoid touched up photos, they are all amateur taken photos taken by different clients who are nice to me.
