### The Story:

Have recently after a long period of deliberation attended 2 of Pam's Parties about 2 weeks apart.

The website is very helpful and the 3 bed roomed house is easy to reach and offers a discrete entrance 5 minutes walk from West Kensington tube station. The first party was on a weekday and I attended the 1pm- 5pm slot. A special note goes out to Mia - a Filipino who provided an exceptional and vigorous service. Also honourable mention to Tina a cracking Jamaican beauty who had marvellous large natural breasts. I managed three goes on the afternoon followed by lengthy breaks where there was ample time to chat amiably with other punters and Pam and her Brazilian helper Amanda. There are two working showers and plenty of fresh towels and whilst the bedrooms have seen better days they are eminently suitable for purpose and in keeping with the bargain ??70 entry fee. Pam provides a cold snack buffet and soft drinks / tea/coffee and you can bring your own booze if you want.

The second occasion was on the 29th August where I had the pleasure of two wonderful Afro-Caribbean ladies Leona and Marsha and a Brazilian girl called Bruna.

The girls may not be Page 3 stunnas in the traditional sense of the word but all are good looking and consummate players and great sports in the sack, there is no clock watching from the girls or pushiness from the other clients so the atmosphere is very chilled and conducive to play. Have to say though for the money they are unbeatable so not only do you get to have great sex with wonderful girls you also get to meet and socialise with some wonderful characters who come to the party. Highly recommended I will be back.
