The Story:

This was not my first visit to Pru, but the first in a very long time. I had remembered a previous encounter and wanted a repeat performance. Pru is extremely welcoming and offered refreshments whilst we settled the paperwork. I chose a tie & tease scenario as I wanted to be strapped to the bed whilst she sat on me and ?forced? me to suck on her gorgeous nipples until she came ! It was a truly wonderful experience ! She then teased me, played with me and penetrated me just how I liked. It was a wonderful encounter - why did I stay away for so long ? There was no clock watching and Pru is easy going, friendly and likes a good conversation.
