The Premises:

Top flat in a building close to Borough underground station. The passageway leading to her flat is a bit scruffy, but her flat is very clean, with a shower, wash hand basin and loo as well as a large & comfortable bed. I felt very safe.

The Lady:

Daniela is a lovely lady, always tastefully made up with a discrete and expensive perfume. She closely resembles her pictures. She has, in my opinion, a perfect figure.

The Story:

I first saw Daniela in January of this year and, despite the fact that I live a long way from her, this was my seventh visit. Every time I see her my visits get more enjoyable (if that is possible). Daniela greeted me as usual with a warm and passionate bout of kissing. I handed over the cash which, as usual, she never bothered to check. Seeing Daniela is more like visiting a lover than an escort. Daniela knows all the things that I like and never holds back from anything. Out of respect to her I will not say what we did but, I can assure you, she is very skilled at what she does. She always goes out of her way to ensure that I, an old guy, leave a happy man and to-day was no exception. We always have a glass of wine which to-day we finished lying in bed together. Daniela never watches the clock (I don't think she has one) and to-day was no exception. I had to remind her that my time was up but she carried on kissing and cuddling me (we must have exceeded the time by at least 15 minutes). Eventually I had, albeit reluctantly, to take my leave. We got to the door of her flat when she gave me yet another warm embrace to send me on my way a very happy man. Daniela is one of the most warmest, kindest and honest ladies you could ever wish to meet and fully deserves the respect I always pay her. I hope to see her again and again. Daniela you are a real star and a lovely lady.
