The Premises:

I saw her near Paddington Station but since seeing her she seems to have moved according to website so cant really comment.

The Lady:

IMO doesn't look anything like her photos but is much better in reality. Pretty and horny looking girl in her early to mid 20's. Great little petite body and very friendly and enthusiastic throughout the whole hour. Was nearer 1hr 15m as she let me continue over time to finish my second cumming.

The Story:

OWO was excellent but no swallow after CIM. Electra is a great kisser, probably the best of the girls I saw. Fucking was great as she is fairly tight and kisses passionately when you are screwing her.

While in London I had a 30 min quickie, agency girl and more expensive hooker, of the 3 I visited.
