The Premises:

Her flat was just off Oxford Street in a safe area.

The Lady:

?KatyaKisses? is very pretty with an innocent look about her don?t be fooled as she fucks like an demon. She is in her early 20?s, has long blonde hair, great body with the cutest ass you are likely to see.

The Story:

This young lady likes her sex hot and hard and I was in that sort of mood myself. Her OWO was outstanding which was in the 69 position, shot a load CIM and she kept on going till I was dry. Fucked her in doggy, nice tight pussy, while admiring that great ass. Best value of what I had in London ?80 for well over the half hour.

While in London I had a 30 min quickie, agency girl and more expensive hooker, of the 3 I visited.
