### The Premises:

2-bedroom flat close to Earl's court station (shared with another girl)

### The Lady:

Bigger girl than the photographs suggest. Large natural breasts, pretty face.

### The Story:

My first punt and I was a bit disappointed with the girl's looks in real life - the pictures on the website were obviously photoshopped to make her look thinner. Sweet girl, though, with a nice smile. 2 rounds of pretty standard sex: OW, missionary, cowgirl and doggy. She was enthusiastic enough and I had a good time, but I won't re-visit as I prefer skinnier girls.
