The Story:

Started with me massaging Sandy as she lay face down on the bed worked my way down to her bum and parted her legs so I could rub her pussy, she was already moist, got her to lift her bum off the bed so I could rim her while my fingers rubbed her clit. Turned her over and went to work with my mouth on her tits which she seemed to enjoy, I slid down between her legs and spent a very pleasant ten minutes or so licking her out, I then sat her on the edge of the bed and put my cock in her mouth, her technique isn't the best, a little too much hand action for me but it got the job done and her mouth was soon full of spunk, I still had enough left to make a decent mess on her tits too. Round 2 was sex in different positions and I finished pounding away in doggy while Sandy made the appropriate noises.
