The Premises:

Perfectly nice metropolitan area, safe and secluded. Apartment itself was a little gem, clean tidy with all those Dollymopp quirks. Period clothes and outfits, curiosities, bric a brac, and lots of fun stuff.

The Lady:

What can I say, raven haired beauty, contrasting alabaster skin, startling good looks, gorgeous eyes and lovely curvy bits, probably one of the loveliest ladies I have ever had the good fortune to wrap my arms around.

The Story:

A totally amazing 2 hours. I was with my best friend. I was with a sexy lady. I was with someone who was genuinely interested in me. A devotee. I was with someone who made me laugh, who laughed with me. I was with someone who I felt comfortable with, more than comfortable, I was with someone who I felt like I had known for years. A truly lovely lady. 14 years of this hobby and this is the first FR, does that not say it all??
