The Premises:

Chain hotel in Merchant City. Clean, discreet and no problems with access. Room was clean and tidy and well appointed. Parked on street and it was safe enough.

The Lady:

Probably a bit older than i usually go for, i,d say late twenties, early thirties. More fuller figured than i,d normally go for but she is hot so not an issue on this occasion. Beautiful looking, even though she could lose a few pounds she has a gorgeous face big pouty lips and come to bed eyes, huge, natural tits that are unreal and she has a way about her that just exudes pure sex. No tattoos thank god, nice long dark hair, dressed in black lingerie and did not reek of perfume.

The Story:

I was a bit apprehensive about booking her because she wasn't my usual type. I picked her coz she had great feedback on another site and sounded like a goer.

It took me a awhile to get a booking with her. I was about to give up having tried to book her a few times but i rang her one last time, found out she had a cancellation and agreed to see me at the last minute. How glad am i that i tried again

Lynn is a master at her craft i kid you not. She has an intoxicating mix of elegance and class whilst being friendly. Talking to her was effortless and she has a lovely soft voice, not rough at all. She just made me feel great and relaxed and completely at ease in her company.

I felt like i,d just pulled her, there was no awkwardness or hint that she was just in it for the money or wanted me out. It felt natural, kisses, touching, her GFE has ruined me for the future, i,ve never had a woman treat me as fine as she did.

Her party trick is teasing. I just lay back and was happy to let her work her magic and oh boy did she do that. I did not have to slow her down or direct her she just knew. I have to say that i had plans to do things to her but i was so blown away, literally, that i just took the opportunity to let this wonder do her stuff. That OWO is the best i,ve ever experienced, eye contact, deep throat, ball sucking and it was incredible. I don't want to go into graphic details but she is up for most things, she didn't say no to anything, in fact i didn't even have to ask, things just progressed.

I know the expression 'superstar' is used a lot but this lady really is. If you can get a booking with her then i can't recommend her highly enough. My only disappointment is that she only works occasionally although this might be a good thing coz i,d probably bankrupt myself if she was available more often. Thanks Lynn if you read this you are a one off and i had the time of my life
