The Lady:

A pretty, dark-skinned Thai lady, curvy and slim. However, she is most definitely not the girl in the pictures on the Website.

The Story:

I enjoyed my time with Butterfly, but felt let down all the same, as she is definitely not the girl depicted on the Website. She was friendly and accommodating, and provided good service, but there is a 'Thai type' that I like, much catered for by London agencies. The pics make her look that way, like some of the girls from 007 or Oriental-models, for instance, so I did not get what I was expecting.
