The Premises:

I called when I was about 5 minutes away and asked if any girls would be available, and I was informed "Yes, come in and I will get the girls to introduce themselves to you" I turned up and one by one, Nadia, Tanya and Carla introduced themselves. Being a fan of a more buxom girl, I opted for Carla. The venue was neat, tidy, well decorated and above all else for some new to all this, discreet. I used the rear entrance (so to speak).

The Lady:

Carla is a blonde (perhaps not natural), buxom, curvy, and when I say curvy I mean only that, not fat or chubby and certainly not all skin and bones. She came into the room, very personable, polite, putting me at ease. Dressed in a nice little two piece, with high heels on, however due to some sort of incident the night before, she excused her shoes early doors, I didn't object.

The Story:

so it all started with a massage, using talc, I lay on my front and she got to work, before long she informed me that when I was ready I could turn over. I waited a while longer, not wanting to look too eager. Turned over and her hands immediately went to my hard cock. She began to jerk me, and then she asked if kissing was allowed...it was! she then went down on me and sucked me like a good 'un. She has excellent skills in sucking cock and I experienced them. So much so that before long I was spurting my load. After a quick clean up, I extended my initial 30 minutes to 45, and she climbed on board, rode me hard once more and then in order to finish off, as condoms tend to desensitise me, I took her from behind, got a good look at her cute, plump butt and we fucked. I was again when with a handjob finale, one final massage and we were done. A very pleasant experience.
