### The Story:

I booked to see Christina for 90 minutes and was not disappointed. Not a minute was wasted. She gave me a pleasant welcome as I entered her lovely apartment. She was wearing a lovely black skintight dress that revealed all her curves and was a pleasing site to behold.

She dimmed the lights and offered me a glass of wine. We started to talk, the conversation ranged from the usual getting to know you pleasantries and moved on to the more intimate. Christina has a lovely sense of humour and great outlook on life and she relaxes you within minutes of starting the conversation. The evening felt more like a date.

Soon we started to touch and kiss, first sensuously then becoming more and more passionate. She gave me a cheeky wink and led me to the bedroom. Well, she skilfully slipped out off her dress and started to work her magic on me. Soon our bodies were entwined and heaving in tides of ecstasy. I cannot describe the seduction that had befallen me, this is one gorgeous lady that has to be experienced first hand. I will be coming back for more.
