The Story:

Firstly my apologies, I tried to post this before but it was rejected. It was very brief as I was disturbed whilst writing so had to post it quickly. But now I get the chance to add more detail and relive the experience again.

I've been away from the scene for a few years and thought I'd return with a bang (Well, is there any other way). Spotted Abbie's profile and made the call. Later that day I met Abbie at her comfortable private home, made welcome and relaxed and was led upstairs, what a lovely view as we go upstairs.

A quick shower and then I was raring to go, it was on the bed where I gave Abbie oral and used a few of her toys on her?then there was lots of sucking and fucking in many positions. She looked great riding my member before I exploded. I had a really great time with a lovely girl. It's good to be back.
