The Premises:

New apartment in a good class area near the Dome. Good parking and felt very safe. Secure entry and felt ok. Apartment very clean and as reported a lady of taste.

The Lady:

A very attractive lady, sexily dressed and put me at ease immediately. This girl can talk for England and you would think you had known her for years.

The Story:

A nice kiss and hug and led to the bedroom. Totally at ease and kit off no messing. OWO lots of contact and she really loves what she does and it shows, orgasamed several times and squirted for me, maybe I am good lol But guy's this is one special lady and I will be visiting her often, one of the best! Treat her well she is worth more than her fee.
