### The Lady:

Eva is in her early 30's. From the Ukraine. She speaks good english. She had lost some weight since the last time I had visited Scorpio making her even more sexy than usual. At 5ft 8ins she is fairly tall with nice legs. Great tits and beautiful nipples. Shaven pussy.

### The Story:

After the usual 2 minute wait she entered the room. She took of my robe and started on my cock. Fist by hand and then her mouth. I slowed the proceedings down by taking of what she was wearing. Oh those tits. She massaged me and then got to work on cock with her tongue. I slowed it down again by taking control and started on her pussy. On went the condom and we started missionary, then doggy. She then got on top. The sex got faster and she came (its the first time I have made her come). I quickly followed - she is a beautiful site when she is on top - so it is difficult to hang back.
