The Premises:

As on my previous visits, the flat is clean and pleasant, if the entrance is a little dubious looking it feels safe and I have never had any problems on any of my several visits.

The Lady:

Zoey is a slim attractive girl in her late 20's/early 30's. She has a good figure, nice breasts, and a pretty face.

The Story:

Zoey is a personable and chatty girl whom I have now seen twice; on both occasions I immediately felt at ease with her and completely relaxed around her. We began with a massage which then progressed onto a full service. I don't go into details but I can say that Zoey is very capable and willing and I have no complaints! I have left on both occasions a very happy customer and will no doubt return again.
