The Premises:

A basement flat in the rather posh 'Marylebone' area, so it was safe and easy to find.

The Lady:

Linda is absolutely stunning. A mature, tall amazonian English beauty. Her face is hidden on her website but rest assured she is beautiful with a fantastic body.

The Story:

Prior to our appointment, I had contacted Linda via e-mail with a few queries I'd had in regards to role-play and she was extremely accomodating; answering any questions I had. I submitted a few ideas / requests and she assured me it would all be fine. Booking was made over the phone with Linda's receptionist Natalie and had to be confirmed a few hours before arriving. Natalie is very friendly and gave me easy to follow directions.

Upon my arrival at the basement flat, I was greeted by Linda herself as Natalie had to step out briefly. The flat itself was clean, comfortable and well equipped with a range of toys. As mentioned before, Linda is absolutely drop dead gorgeous, extremely warm and welcoming and she has a great smile. After I said 'Hi' to Natalie the receptionist as well, Linda took a few minutes to go over what I had in mind. Initially, I was a little nervous as this was going to be my first time with this type of experience but I had nothing to worry about as Linda listened carefully to what I wanted. After the money was sorted out, Linda began the role-play and I felt like the star of my own adult movie and Linda was my leading lady! What followed was a combination of convincing performance, domination, humiliation, spanking (LOTS of spanking that I enjoyed so much!), 'tie & teasing', oral and ultimately all climaxing in the most amazing sex I've had in a very long time. This is my first review and I hope it does justice; I'm still buzzing from the experience - Linda is easily the most amazing WG I have met and I WILL be visiting her again(already have some more ideas for role-play).

Thank you so much for a wonderful time Linda, you are a star! XX
