The Premises:

Nicely appointed flat in quiet part of Earls Court. Very clean, very tidy with good bathroom.

The Lady:

Tall, elegant Korean lady. Very pretty. Web-site photos are accurate.
Good spoken English and an intelligent conversationalist.

The Story:

This is the third time I've seen Ayumi, which speaks volumes.

Great girl, I always enjoy my time with her.

I'm something of an old school traditionalist, so the action is pretty much pre-set OW (my choice) in front of the mirror to set the tone then on to the main course of pounding one of london's most exquisitely tight pussies for the rest of the hour. This girl loves penetration (especially from behind) but in a genuine ladylike manner rather than some fake moaning thing, which makes it far more exciting.

I'm sure she's up for more adventurous play but I know my script!
