The Story:

Returned to punting after a long gap and chose Thalia as she's on my doorstep.

I'd kinda hoped this punt would be rough so as to put me off punting for another decade and save me 10 grand.. well thats not what happened.

This fabulously honest (though had a wig on) and gorgeous girl with perfect perky firm youthful breasts welcomed me back into the sumptuous world of yielding to carnal desire. She rode me till my body turned inside out in orgasm x 2! Then she was happy to humor me with some tantra which she ended up enjoying with tears!

Oh dear, my future economy is now again in jeopardy.
