The Lady:

Nowhere near as good as you would hope from web pics. tits a touch saggy and a few years older than the stated 22, late 20's I'd say.

The Story:

Advertises FK OWO CIM but all off the menu due to an imminent dentist appointment she said!!! Covered BJ was below average, fucked her had shower and left. Glad I only booked 30 mins, was all over in 20, wish I'd booked her 15 min rate, complete waste of money. One to put on the avoid list.
