Louise is 5'6', early 20's, and a long, dark haired beauty with a curvy size 10-12 figure.

The Story:

After my recent not so great time at Annabellas I decided to see Louise who I thought was a girl I used to see a couple of years ago. I don't usually punt on a Saturday which is one of her main work days.

So made an appointment to see her in advance.

Got there in good time and Louise opened the door. After a greeting like old friends I ordered a tea which Louise brought in, and then the fun starts...and what fun it was...Full on snogging to start, and then exploring Louise's body, an item of clothing at a time. She was already wet.

Onto the bed for OWO, 69, sex in various positions with an enjoyable finish while snogging throughout the encounter.

So, a no-rush session with a smashing GFE - another winner!
