The Premises:

The Lady:

Claudia is a beautiful young woman of Hungarian origin. Her face is unusually pretty in a way that doesn't really come across in the photos, fresh and girlish, with high cheek bones and gorgeous brown eyes. Her hair is naturally dark, dyed blonde. I had booked her based on a fascination with her breasts in the agency photos. These turned out to hang a bit low and had visible stretching, though they were still a joy to handle. Claudia has gorgeous pert buttocks, a perfect little vagina, and a neat and rather pretty anus.

The Story:

Claudia greeted me in a nice little black dress wearing heels. She was friendly and playful. After a shower and a bit of a chat we had a bit of a kiss (no tongues!) and she removed her dress. I got her to bend over so that I could really enjoy slowly peeling off her panties. These revealed the most adorable rear. Holding a buttock in each hand, I paid her some oral attention from behind. We moved into 69 (with my penis visiting her voluminous soft enveloping breasts on the way). The BJ was covered, which doesn't do much for me. We had sex in missionary for a fair while - she's so pretty that watching her face during this was a real kick. She then suggested moving to doggy. I was close to orgasm so I held her bottom, opening her up slightly, and enjoyed the sight of her asshole jumping up and down as I fucked her pussy. As I came I took her hips and drove a bit harder into her.

I took a shower and we chatted and she massaged me for a bit. She gave me some more covered oral. Just as I started to get aroused again, she announced it was time to get ready to go. We weren't yet 45 minutes into the appointment and I was hoping for some more sex. I'm afraid this is why I can't recommend her service. I can leave a place in a couple of minutes, and I really don't like having the agreed time cut short. I knew I wouldn't enjoy anything after an argument, so after a friendly attempt at persuasion I started to get dressed. In fairness she let me have a bit of a play with her as I got dressed.
