The Story:

This was my first time doing this. I had told this to Alexia, she replied with "I dont like shy men". I was nervous, to this end I didn't perform to the best of my abilities, it had been a while!!!! In my defence the fact the Alexia was chewing gum throughout didnt help, even during owo. She needed a bit of grooming (too much stuble for my liking). I got the impression she wasnt happy when i came over her body, her profile says she will do this. As this was my firs time I am putting it down to that as she is probably the right person for someone else.
