The Lady:

Sophie is late 20's / early 30's, more 14 than 10 with A boobs and quite attractive. She was dressed in a red and black nylon Basque and matching knickers.

The Story:

We discussed my needs and agreed the price. We started with a covered blow jod which was quite prolonged and good. All the time she knelt so that I could finger her tight pussy. She asked for position and I had her on top. She was good and made me come quite quickly. She was also a good kisser. I enjoyed the experience and would recomend her services.
