The Premises:

The retreat used to be run by Amanda and was a lovely place. Seems to be under new management again now.

The Lady:

Petite, slim, small, tiny. A cute package

The Story:

Only two girls on, neither of them seemed interested, Kylie seemed the most awake of the two. Up to a room, where she just wanted to get things going (and over), some perfunctory fake moaning and a comment or two about this being the start of her three day non stop shift and I was not exactly into things. So a quick shag in missionary and I was done.

Shame really as the retreat was my go-to parlour when in Bristol.
