The Premises:

The 3 story house near the shopping center. Easy,cheap parking and discrete entrance set back from the pavement.Milton Keynes is so boring of course it is safe.I like sitting with the girls while waiting for the room to be free and this time i was talking to Stacey - what a lovely girl . She should be on everybodies to do list !

The Lady:

Another magnificent bodied women with a cute face and lovely real personality. Long,dark hair (very realistic extensions) ,mischievous eyes that twinkle when she is enjoying herself, large natural breasts and a great bum.

The Story:

The OWO provided by girls at Annabellas is usually wonderful but recently I have been receiving exemplary action. Scarlett has a very different technique to most of the girls I have seen recently but her nibbling,licking and tongue flicking is sublime.At one point she was at 90 degrees to me with her back arched so her bum stuck up and her breasts hung down. Looking at me she slowly licked up from my balls along my erection and then turned her head to profile,closed her eyes and with the tip of her tongue delicately tasted the end of my foreskin. That image will be recalled by me many times in the future I am sure.

We had 2 sessions of her sitting astride my face so I could lick her and look up at her breasts moving as she writhed on my nose,tongue and lips.No false porn film sounds either just the moans of a women enjoying herself.

My first orgasm came as she rode me cowgirl style with her very tight pussy tugging me to climax as she lent forward and kissed me as if she loved me. My second was in doggy position as I powered into her and she made the most exciting noises.

I am in U.S.A. for a couple of weeks now but I will be looking for her on my return even if it means driving up to Wigan.
