The Lady:

Tall, stunning mixed race lady. Very leggy. Beautiful smile. She told me she was 42. She looks minimum 29. Wow!!

Size 12. Great curves. Lovely legs which go all the way up mmmm.

The Story:

My visit to this well spoken ladys house. When she opened the door I was amazed. At first I wondered wether it was her or a friend. As this girl looked younger. I walked in to a clean, tidy maisonette. She led me to the lounge area where she offered me a sparkly drink. I accepted (just the 1). I couldnt believe how good she looks, I was at ease within minutes. We had a little chat then she led me into a dim lit room with a goodsize bed. Now she loves the GF experience. So lots of kissing. Great lips. We had plenty of time. So I gave her a massage and worked my way up those soft caramel legs and played with her clean shaven pussy (nice). Delightful! I slipped my throbbing cock in her tight wet hole (covered ofcourse). Great blow jobs. Nice deep throat. I had the opportunity to come as much as I wanted. Only 2 I could manage not bad for 50.

Her orgasms are real guys (that i am an expert in). We had a shower then got in her outside hot spa (that was unexpected as ive never been in one). No clock watching here. She is an intelligent, gorgeous sexy lady whom I already have a soft spot for. Treat her well guys. She truly has the Girlfriend Experience..
