The Premises:

Came to my hotel.

The Lady:

Sky looked nothing like her profile pic and I'm not even sure if it was the same girl. If it was Sky then she is about 10 years older than stated in profile and her face looked very worn. Not even attractive.

The Story:

This must be the worst escort in London. She arrived at my hotel on time and I had booked her for 4 hours but when she arrived she said 4 hours was too long and 3 hours was the longest she could do. All she kept saying was how tired she was and that she just wanted to go home and go to bed. She said she didn't really want to be here and didn't want to be kissed or touched. After 1 hour she went to sleep on me and about 45 minutes before she was due to leave she went home. Absolute waste of space she was. Don't bother booking Sky unless you want an awful time or lose your money. I posted a review on Vixens review page but they never published it. I wonder why. I would never use this agency again. I would give this lady 1/10 in all respects.

Service Provider's Rebuttal

The agency writes: I have checked our database and no-one by the name of Sky had any bookings one week prior to the date mentioned, or one week after the date mentioned. I feel this has been done to discredit our agency.
