The Story:

greeted at door and with lots of kissing from laura, they quicky and expertly soon had all my clothes off and on the bed. was then treated to some arousing girl on girl action, before they both moved on to me. Wont go into to much detail but lots of kissing, owo, touching with the girls effortlessly changing positions and tasks, Sex in various positions. A hour spent in exquiite company and all over far to soon, can't wait for there next date together
