The Premises:

House on a ex-council estate. Reasonably secure area, but inside of the house was frankly a dump. In serious need of re-decoration.

The Lady:

5' 4" I'd estimate. Nice body and impressive tan. Her (natural) boobs are the firmest I've ever seen. I'd estimate mid to late 30's.

The Story:

Trying to get over punting in a place this shabby is difficult. Saffron is a pleasant to be with, but the overall service was lacking any spark. Very quickly turned into a "get this over with" type of meeting. Saffron wasn't cold or anything - just if your missing that spark and the place is shabby, not good.
