### The Premises:

Her place was pretty nice, the area was standard and felt safe for the whole 2 hours, she made me feel at home to be honest.

### The Lady:

Perfect body in all fairness! cant think of anything wrong with her. Big tits and curves in all the right places. Stunning hair as well, cant beat a nice brunette.

### The Story:

First off i let her sit on my face so i could lick her out, she looked even better from that angle! After that i asked her to suck me off, WOW best BJ i have ever had, and ive had many! If you have sex with her ask her to go on top, you wont regret it! Highly recommended :)
