### The Premises:

A house in a quiet suburban street. Very safe, easy to park so visiting at any time by car easy. A fair walk from the tube, say 15 - 20 minutes.

### The Lady:

She is a slim bleached blond with a very pretty face. Small breasts but a very fit body and curves in the right places. She was very warm in her reception, wearing a skimpy bra and panties a present waiting to be opened.

### The Story:

Sylvia is a part of a house collective of 4 woman. I had visited before and so knew the routine but had not been introduced to any others before. They offer a number of duos and must be worth thinking about for future fun. Sylvia is a very special fuck her cunt very tight and she loves to ride cock. OWO and cowboy were the main courses on the menu. An hour of real fun cumming twice, once in her tight pussy and once in her mouth, and being entertained by a lovely woman. This is the type of service that brings me back again and again for the fun. I will return there is a brunette that looked fantastic.
