The Lady:

Gorgeous toned tanned mid twenties with long shiny brunette hair, -goes to the gym daily- , long slender legs and perfectly formed small firm breasts.

The Story:

Greeted me in a skin tight red dress showing off her beautiful curves immediately putting me in the mood , new this would be a good one !.

Undressed and nicole soon rejoined me kneeling across me kissing my neck while i stroked her lovely young soft tanned skin then pulled her body towards me for some tongue play with her hardening nipples. After a while Nicole put on the condom for me and straddled my cock lowering herself slowly then moving around above me with a sexy rythm sometimes arching her back and grinding against me while holding onto my ankles. After some time changed to doggy - she looked awesome om all fours in front of me , her arse soft, tight and bouncy , i started slowly and increased the tempo while feeling her body , breasts and could not resist giving her arse a couple of slaps to show who's boss !, eventually an awesome ejaculation with one hand on her pelvis and the other on her shoulder giving me full control, holding Nicole in position while i filled the condom , my cock twitching around inside her pussy taking me time to enjoy the rush and this beautiful fit young lady on all fours before me.

Recomended , expect to return soon ! - also very chatty , friendly and works hard to ensure you leave fully satisfied.
