The Premises:

Nice studio apartment.

The Lady:

Attractive lady, probably mid-20's with brunette hair. Just like her agency pictures and with a great figure.

The Story:

Straight out of the shower and then I couldn't wait to undress young Marise and reveal her super fit body from under her evening dress! Then it was quickly into some uncovered O, which quickly got me into a seriously maintained state of arousal. After some quality oral work exhibited by Marise I switched to some really hot protected sex with her, and in some very contorted positions for the remainder of our time. Marise is quite a mover and I'd recommend directing her into cowgirl for at least some of your session; as she moves her hips to excellent effect in this pose.

Marise gave good eye contact and made it a memorable experience for both of us! Although she seemed a little detached at times, she still left me satisfied and complete after a full hour of very professional servicing. Would return, but there are so many other choices with this excellent agency (and others) it's hard to get around between all the new girls on offer and the regular favourites.

Thanks Marise for all your hard work on my rampant member!
