The Premises:

New shared flat. Easy to find. Inside was clean and comfortable.

The Lady:

Late thirties. Nothing like the advertised photos at all. Pretty face, slim and slender body. Small breasts. Also had stretch marks around mid section do probably has had children.

The Story:

A rather unexpected surprise. The host greeted me with a little hesitation after which she seemed quite friendly. Checked to see if I was happy with the girl she selected for me although to be honest, I didn't have much choice.

Anna herself is a little shy but is very caring and considerate. After about 10 minutes of massaging my back and shoulders, her hands began to wander which turned me on quite a bit! She then proceeded with oral (covered) and then missionary.

All in all quite satisfied. Could become a regular if they get some younger attractive models in.
