The Premises:

the coach house in Fenny Stratford.

The cleanliness is above satisfactory. There is a parking lot just outside the residence, as well another one directly adjoined to afore mentioned parking lot.

The area is safe and non-threatening.

There are three treatment rooms, two of which are sizable, and the third somewhat smaller but cozy.

The Lady:

Paige is a stunning beauty with exceptional bone structure, who has very delicate and symmetrical features. She has a slim figure, notwithstanding, very toned, with a skin tone that glimmers with a captivating tan. She sports a pair of perfectly augmented size dd breasts.

She stands at 5'6 on her bear feet, and has luscious and scintillating shoulder length dark hair.

The Story:

Paige has very rare qualities and characteristics that are normally absent in females who are blessed with her physical attributes.

She is very conversant and an absolute joy with whom to talk.

The massage experience was exceptional, and Paige delivered her finely honed massage strokes with conviction. My body felt loose and limber by the end of the session, which was capped with a very titillating hand relief.

This aesthetically divine young lady is exceptionally fun and professional, who will not disappoint. I have absolutely no qualms about recommending her very skillful and tantalising touch, and her ability to make one feel completely relaxed and destressed.

She is a 10 out of 10, with a +1 bonus score.
