The Premises:

Very nice, clean, tidy flat.

The Lady:

A very sexy little asian fuck-toy; petite, but nicely rounded, fantastic (real) tits, a nice arse... all wrapped up in a very revealing set of underwear

The Story:

Very good. A slightly odd feel to some of Sabrina's behaviour - she seemed to rearrange things a little too much - but the kissing was lovely (turned me on). She sucked me until I was hard (with a very nice touch of putting her hair up with a clip... made me very hard, 'cos I knew I was soon going to watch her moth going to work on my cock... and I wasn't wrong), then we fucked in various positions until I came in her mouth.

I was - again - very disappointed not to be allowed anal. I'd discussed this when booking, and I really do like a-levels with asian girls (nice, tight, bums, superb round arses, and a lovely tendency to moan while being bugged), but Sabrina complained I was too large... which might be flattering, but I was left just a little disappointed.
