The Lady:

Lisa is a slim fairly tall very attractive lady. Shaven and dressed to please. Very friendly, no clock watching and made me feel very welcome.

The Story:

Lisa dress as I asked, short skirt and no underwear. Enjoyed watching her walk up the stairs in front of me, was tempted to grab her there and then.

Once in the room I undress and enjoyed some french kissing and boob licking with my hand up her skirt while Lisa played with my balls and cock. She then dropped to her knees and started deep owo she then ask me to lay on the bed and continued the owo with lot's of licking untill I had to ask her to stop it was my turn.

Asked her to lay on her back and I lifted her legs up so I could enjoy licking and fingering her lovely shaved pussy. Continued to do this in various positions including 69.

By this time I just had to shag her so on with the condom and fucked her in different positions, finishing in doggy position.

Had a fantastic time, she is really good at oral and enjoys receiving it just as much, I think she came a couple of times. Mix of GFE and PSE, works hard to please, best sex I have had in a long time, will be seeing a lot of her I hope. Just wish more of the girls were like her. Thank you Lisa see you soon.
