### The Premises:

This is a house in a quiet street about a 8 minute walk from Vauxhall rail station. It is functional, but clean. My only complaint was seeing another punter in the hallway when I was on the way out.

### The Lady:

Roberta is a pretty Bulgarian girl in her 20's with a lovely brown skin. She has a slim figure with ample C cup breasts.

### The Story:

There was a biy of confusion with the maid over the fee. Once settled, I had an enjoyable session which consisted of sex in three positions; cowgirl, missionary and doggy. It was a bit rushed, but that suited me this time.

I think other girls, probably Bulgarian, use this flat. I would return again because it is very easy to get to and from.
