The Story:

Lara is a half Spanish half English lovely lady. She seemed to be a keen kisser, so we started from kissing. The kisses seemed to last forever had I not hurry up things a little bit. Then we went on to straight sex, Lara seemed to enjoy it (and so did I) as she moved her hips and bottom until I finished. Afterward, we had a bit of chat while still lay in bed, although I'm not sure I could disclose all the conversation (nothing illegal ;-)) here.

I overcame my dilemma to write this field report as I felt only so it'd do her justice.
