The Lady:

Very attractive pretty blonde. Pictures on website do not do her justice; much prettier in person as in real life no photo touch ups exist. Does not look aged 31 as the AB website now advertises as she looks at least a few years younger than this.

The Story:

My nth visit to this lady; she knows the number - the rest of you can take a guess. As always another very special time with this gorgeous lady - she knows what I like to do and provides it in her unique way; nothing more needs to be said - that overused word does apply to her "awesome".
