The Lady:

Sacha is gorgeous... she has the most incredible body, curves in all the right places and amazingly soft skin. She's lovely all over, but I'll admit to being a big fan of her fabulous, firm, round bum. The photos don't really do her justice.

The Story:

I've been seeing Sacha for some time now. Whether I've been in a hurry or gone for all the extras, she's always given me the same warm welcome. The first time I was quite nervous, but she set me at ease with her lovely smile and her fantastic massage skills. Since then, we've got up to all sorts... it's never exactly the same and even now I still can't get enough of this girl! On this visit I had time for an hour with all the luxuries... she took all my stress away, made me feel good and sent me floating off home a better man.
