The Premises:

Very nice basement flat in Notting Hill, clean and safe. She is moving to a different flat in the block soon.

The Lady:

Just like her profile 'hotstefanie'. Greeted me wearing a sext dress very sexy lingerie as requested; white stockings & white bra & panties with very high heels. Looked stunning.

The Story:

Stefanie asked for the money and after paying she took her dress off to reveal a lovely body. Moved to bed, I stripped off. She offered a massage which was ok, then eventually turned over for excellent deep throat oral without. Knew I might come soon so asked for a condom and I fucked her with me on top then doggy to finish. She was very sexy and vocal throughout. I asked to have a shower to freshen up and when I returned Stef had taken off her stockings and heels and put her bra & panties back on. I got back on the bed and asked do I have to go, she said of course not and asked why and I pointed out that she had taken her stockings off. She said she would put them back on if I wanted, but really I felt the mood had now changed. I accepted her offer of more massage, which whilst enjoyable, managed to avoid touching any sexual areas. I turned over and asked for a hand job, which she performed to another very good finish. I would recommend but due to the awkwardness half way through will not return.
