### The Story:

Welcomed in and left to wait in the bedroom for Vanessa. Vanessa soon entered. This was actually my second visit to Vanessa. My first was 4 hours before hand, but after 20 minutes enjoying ourselves, DFK, caressing, RO on her, theres was only a few minutes left for "me" time. We rushed into doggy before time was up, but just at the point of no return, I fell of the bed. And a booking mixup meant no second chance as it was supposed to be an hour rather than 30mins. To give Vanessa more praise, she did try and sort out the booking mixup but sadly to no avail as someone had already booked straight after me. So after a misfire after meeting this stunning and raunchy girl, a very sexually frustrated me had to leave... and then rebooked straight away.

So after a long frustrating wait for the booking to come round again I was back in the bedroom with her. Loads of DFK and caressing in front of the mirror, RO before her returning the favour with OWO in front of the mirror so we could see each other. Leading to a CIM finish. Relaxed chatting about the world. Shes really friendly and fun and has a great sense of humour. Round two starting in cowgirl and finishing in missionary. Relaxed together before finishing off the booking with round 3 (or round 4 if you count the misfire) in doggy while facing the mirror so we could see each other. Fantastic, fun and raunchy girl and I'm so glad I rebooked. Hope to see again for another easy Saturday session.
