The Lady:

Jan is slim and "fit" and would pass for a woman 10 year younger

The Story:

I have been seeing Jan on and off for many years and intend to keep seeing her for as long as she is working. That is how high I rate her. She is sexy, smart and can hold a conversation, assuming you can still speak after she has finished with you.

We had such a good time that I did not get chance to have a cup of coffee with her this time.

If you read this Jan. Thanks for a great time. See you soon.
