The Premises:

She shares the place with others girls, but nice and clean place, near Notting Hill tube station.

The Lady:

She has body to die for !!

The Story:

Booked her using Hot-Collection agency as she had few good reviews (but now I think it's likely they are probably fake...)

Very cute and perfect body, unfortunately her level of service was very poor ! I was really disappointing. No kiss, hand job and sex only in one position. Then after the end of the first round she told me that a second round was not possible as I had booked her only for one hour: "one hour it's only once, you didn't know?". I have met several girls before, first time ever I have been told such a thing !!

So I left almost 30 minutes before the hour... and just wasted 200 pounds !!

I would not recommend her !!
